Alumni involvement

Alumni Committee

An Alumni Committee has been established consisting of alumni members to organise the events and activities of the Alumni.

Would you be interested in becoming part of the A2O Alumni Committee?

Yes No

Involvement with the Adelaide to Outback GP Training Program

A2O offers Alumni a number of ways in which they can remain involved in it's activities. The two main ways of being involved is as a spokesperson for general practice and involvement in medical education.

Promotion of general practice

From time to time, A2O promotes general practice as a career to medical students, junior doctors and other organisations. In these activities we often ask graduates to talk about their experiences of GP training and the speciality of general practice.

If you are interested in being involved in general practice promotion, please tick the box below.

Yes, I am interested in assisting A2O to promote general practice

PTO >

Interest in medical education

If you have an interest in medical education, A2O can offer a number of options. Currently, several of our medical educators and GP supervisors are A2O Alumni and those who participate in medical education are provided with support to gain skills necessary to take on these roles.

If you are interested in being involved with medical education at any level with A2O please tick one or more of the following options.

- Becoming a GP supervisor/teaching practice
- Becoming a medical educator
- Presenter at RDL or block releases
- Other (please specify) _____

All information provided on this form will be added to the Adelaide to Outback GP Program Alumni database for Adelaide to Outback Alumni related purposes only and will not be passed on to any third party not affiliated with the Program
